Document: EBSA-2010-0050-DRAFT-0318

Comment on FR Doc # 2015-08831

Submitter Information

Name: Colin Mackenzie

General Comment

Given the complexity and the potential for unintended consequences coming from this proposed rule, on the availability of education and advice to the public, the period for analysis and comment needs to be extended. Existing regulations were carefully put in place and before new regulations are added, they should receive more, not less scrutiny and time for evaluation. Please extend the evaluation and comment period to the more normal 180 day period. Thank you!
